Dear Vendor,

This is an invitation to our new event – Pet Lovers’ Day.

YAPS (the Yerington Animal Protection Society) has held the Laps for YAPS event for many years. The main part of this event is a 2 Mile Fun Walk with Your Dog. This event has been well attended over the years, and we believe has potential to be bigger and broader in scope.

Therefore, this year we are expanding the event into Pet Lovers’ Day and inviting pet and/or animal related charities, clubs, businesses, etc. to come set up, do demonstrations, display your wares, and show South Lyon County what you do.

The Walk will be populated with educational and demonstration stations. Each of these stations will have free hand outs – treats, sample packs, small gifts, etc. Very like Trick or Treating for Dogs.

There are several activities being planned already. A few are; we are working with a vet to do a low cost vaccination clinic, the local groomers to do a toe nail clipping clinic, and the Small Dog Races will be part of the event. Among the other events we are looking to provide are agility, herding and training demonstrations and clinics, a photo booth with a pro photographer, and more.

The event will be September 14, 2019 at Mountain View Park in Yerington. The park is located at the edge of town (next to the Senior Center) with parking, and other facilities as well as access to fields and walking trails. Registration for the Walk is between 8:30AM and 10:30 AM and start your walk between 9AM and 11AM.. We are planning on this event being over by 3PM. Please let us know as soon as possible if you will be participating.

Please call 775-463-3699 or email garrydavis1@msn.com to reserve booth space, volunteer to do a demonstration, provide walk station hand outs, or just ask questions.

Thank you,

Diane Davis -YAPS - President
